

SHREWSBURY HOUSE SCHOOL

Admissions

We understand that choosing a new school can be a daunting task and will possibly be one of the most important decisions you will make for your child. It is therefore important to us that all prospective parents feel fully informed when making choices about their son's education journey.

We hope that the virtual tour will provide an insight into what Shrewsbury House School can offer your son. We realise there is no real substitute to walking through the doors and experiencing the atmosphere first hand, but believe this tour, along with the various presentations will give you a flavour of the ethos and aims of the School.

Our aim is to educate the whole child by providing unequalled opportunities and support, enabling each boy to maximise his potential in all aspects of School Life, in a fun and positive way. We understand that by providing a balance between work, exercise and play, we are not only preparing boys for the next stage of their education journey, but for life beyond.

For full details of our Admissions process, and how to register your son, please click on the following link:

For families looking for entry for their son **into Year 3, 2021**, registrations will close at the end of October. Therefore, if having completed the tour, you have any further questions or queries, please do not hesitate to contact me either via email, registrar@shstrust.net or telephone 020 8399 3066.

We look forward to hearing from you and thank you for joining our virtual tour.
