

SHREWSBURY HOUSE SCHOOL

After-School Clubs

Shrewsbury House offers an extensive choice of after-school clubs and activities, ranging from Prep Club, academic clubs, art, music, sports and other activities such as Chess and Cooking. These change on a termly basis

Our broad-based, progressive and varied curriculum allows boys to hone their skills in myriad subject areas, while developing lifelong learning habits. A wide-ranging extra-curricular programme also adds to the educational experience, allowing extension and enrichment activities.

The boys are offered a new choice of clubs and activities for each term. Clubs run from 16:15 to 17:15 and 'late clubs' are available for senior boys from 17.15 to 18.15.

Prior to the end of each term, parents will receive an email outlining the clubs for the following term and any costs associated with these.

Buses

Boys who go home by bus will be put on the bus according to their club selection, unless parents inform the School Office otherwise.

Range of Clubs

The choice of clubs change termly, and some apply to different year groups, but examples of the clubs we offer are listed below:
