

SHREWSBURY HOUSE SCHOOL

Catering Provision

Our catering company, Harrison, provide nutritious, well-balanced meals for both staff and pupils. Our goal is to instil a love and understanding of fresh, healthy food at a young age that will positively influence the boys throughout life. Food is freshly prepared and cooked in school and our catering team teach the boys to cook as part of the after-school club Cookery lessons.

The teachers and boys eat together, sampling a delicious daily menu. Parents can help their son with choices, by chatting through the weekly menus, which are published on the School website:
